Communication Modes:

Facebook Page Update

We will continue to use Facebook as a class (or group of classes) communication pivot point. We will inventory and document what is already on Facebook. Please contact us at the school website if you created a Facebook LWCS page. We believe there is a 1993-2000 , 1988, 190, 2003 and 50 year reunion Facebook pages. **We are looking for additional Facebook class (or a group of classes) Facebook “Captains”**

LWCS Website Update

There will be a new website coming soon for Lake Worth Christian School. Details TBA

Data base Update

Kevin Albury has created an Access Database for the Alumni and Friends Assoc. We have 5 student aids ready to input data. (We have data back to 1961). Please go to the school website and give us your updated information.

Events – What’s next?

Set up an event – Kickoff Mixer/Date

Unanimous in having a social program of some sort in early August after school starts and vacations are over. We will decide on a location at the next meeting. Possible locations are: John Prince Park, Kintz Park (Atlantis), Calussa Park (Delray) or the Journey House (Adjacent to the school). Ideas welcome.

Leadership and Charter

Hopefully at the July Meeting, officers of the new organization will be in place.

Development Board Appointment

See Leadership above.

Open Discussion:

Ideas: Business Network, Mentors, etc.

Next Steps – Set next meeting agenda

Next Meeting Date

Our next meeting date is scheduled for May 13th (Thursday) at 7PM in the School Library. Please mark your calendars to attend. Please feel free to communicate your ideas. We need your participation!!
