

LWCS Lacrosse for Beginners 3rd–5th Grade

Lacrosse is a fun and exciting game that is one of the fastest growing sports. Each session will be broken down into 30 minute segments. The first 30 minutes we will review skills while the second 30 minutes will be spent scrimmaging. Soft Sticks and balls will be provided during each session. Basic skills include: ground balls, cradling, throwing, catching and field positioning in offense and defense. Fun drills and relays will be incorporated to practice new skills. Please bring shorts, shirt, and sneakers to change into. **MOUTH GUARD REQUIRED DUE TO SCRIMMAGING.** You are allowed to bring your own stick if desired but it is not needed. Hope to see you out on the field! (Thursday, 3/28–5/16/19).

The Greatest Journey Kids Club K-5th

Join Miss Kauffman in "The Greatest Journey". This is a 12 lesson Bible study for children. This is the same Bible study that is offered to the children who receive our Operation Christmas Child Shoeboxes. Our students will receive a study workbook and upon completion of the course a Bible and a Certificate. They will be challenged to learn Bible stories, memorize Bible verses, and be equipped to tell others about Jesus. The class is limited to 20 students. Lake Worth Christian will purchase the materials because we want to make an eternal investment in your child. (Fridays 3/29–5/17/19, except 4/19. Including 3/14, 3/26, 4/16, 4/18, & 5/20).

LWCS Piano & Voice Lessons 1st–5th Grade

This is a wonderful opportunity to introduce students to piano and voice for the first time or to build upon previous experience for others. Each 30 minute lesson will include materials and personal instruction. Mrs. Thomas will be offering piano or voice lessons on Tuesdays and Thursdays. Mrs. Williams will be offering her classes on Fridays. Space is limited—9 spots available (2 spots Tuesdays, 2 spots Thursdays, and 5 spots Fridays). (Tuesdays, Thursdays, & Fridays 3/26–5/3/19, except 4/19).

Drama Kids International 2nd-5th Grade

To be happy and successful in today's highly competitive world, your child needs to be confident and articulate. Whether destined for the stage or the boardroom, Drama Kids prepares children and young adults to speak up clearly with confidence, putting them on an easier path for lifelong success. Activities will include: improvisations, mini-scripts, speaking skills, character analysis, theater games, creative movement, and performances. Parents are invited to join us on the last Thursday of the 9 weeks for an onstage production. (Thursday, 3/28—5/16/19).

Zoo to You! K-5th Grade

We are thrilled to welcome the Palm Beach Zoo to our Enrichment programming. The Palm Beach Zoo and Conservation Society is a non-profit organization, professionally accredited by the Association of Zoos and Aquariums. Our mission is to inspire people to act on behalf of wildlife and the natural world. With our ZooMobile "Zoo to You" program we will present an educational program to students which includes up-close animal encounters and amazing animal bio-facts. (Tuesdays, 3/26—4/30/19).

LWCS Drama—Spring Musical 5th Grade

By Audition Only—\$30

LWCS is excited to offer our Spring Musical Drama program. Students will be rehearsing the lead roles in the play. Mrs. Thomas will teach basic acting techniques including vocal projection, stage positions, and reacting within a scene. Those with singing roles will receive vocal coaching and techniques to improve their performance. Students are required to memorize their lines at home and come prepared to rehearse each week. Fee goes directly to enhancing this year's production. **This year's Spring Musical will take place on May 10th.** (Mondays & Wednesdays, 3/25—5/6/19, except 4/22).

Bright & Smart Robotics

Advanced Coding 3rd—5th & Coding K—2nd

Our goal at Bright & Smart is to teach kids basic Computer Programming Skills and facilitate the development of 21st Century Learning Skills, such as; Information & Media Literacy, Critical Thinking & Problem Solving, and Interpersonal & Collaborative Skills.

Children learn to design and create on the computer by programming their own animations. We work in small groups of up to 12 children per class. Each week a new project is unraveled by each student according to his/her earned skills. At the end of each session, a demonstration is made to parents and family members where students showcase their newly developed skills. Students take home a folder which includes a summary of all the activities that each individual completed and a Certificate of Participation. Students in 3rd—5th will receive a USB flash drive that helps them save their projects and have access to the program at home. (K-2nd & 3rd-5th on Mondays, 3/25—5/13/19, except 4/22)

"Stemulating" Science w/ Mad Science K-5th

We are so excited to welcome back Mad Science and they're bringing all new lessons. Get ready to touch, see, hear, smell, and taste what science is really all about! Students will engage in exciting, interactive, and educational hands-on activities that instill a clearer understanding of science and how it affects the world around them, all while having fun. On their way to becoming "Mad Scientists," each week students take home a different science project.

(Wednesdays, 3/27—5/15/19).
