

THANK YOU!

Dear Parents,

Thank you for your interest in Lake Worth Christian School!

It is my greatest joy to partner with you as we navigate through the admissions process together.

LWCS has been serving the Christian families of this community since 1959. As we make our way through the different stages of the enrollment process, I hope you will see our love for the Lord, our love for each other, and our love for you and your family.

Choosing a school for your child is a very important decision. I trust that you will see LWCS as your number one option to partner with in Christian education. You will find us to be a school with a stellar reputation, solid financial standing, and great academic, athletic, fine arts, and leadership successes.

LWCS is an educational institution with a vision!

The campus is growing and families are anxious to be a part of that vision. We are continually making great strides in our academic life. With a commitment to integrating technology, updating and upgrading curriculum materials, and creating deeper relationships with our God, we know you will be happy to be a part of the LWCS family.

Please contact me to begin your journey at Lake Worth Christian School.

Blessings,

Jennie Peters
