The Lake Worth Christian School International Student Program is a growing and exciting part of the LWCS community. We currently have students enrolled from Aruba, China, Curacao, Finland, South Korea, Thailand, and Venezuela.

Each year there are a number of students that leave their families for the school year and come to the United States for their middle school and/or high school experience. A growing number of students are choosing LWCS to be their home away from home.

Many of these students need an "American family" to call their own. These host families make the students a part of their family, in many cases for a number of years, as the international students finish their LWCS education.

This experience enriches the lives of the host family, and provides a lifelong impact on each student's life.

Being a host family is a life-changing experience that has an eternal impact on the lives of our international students.

LWCS invites you to apply to be a host family! It will be a powerful experience for you and your family.

If you are interested in hosting a LWCS international student for the 2015-2016 school year, please fill out and submit the following International Host Family Application.

Host families receive a \$7,500 Host Parent Reimbursement per year.

Join our International Student Program, apply to be a host family today!

Blessings!
